

Bob Dylan - Spirit On The Water

Tom: G

(intro) G C D G C Eb G Em C D G Em C

G D G C D
Spirit on the water, darkness on the face of the deep,
C Eb G Em Am
I keep thinking 'bout you, baby, and I can't hardly
D sleep.

D G C
I'm travelling by land, travelling through the dawn of the
C day,
D G C Eb G Em Am
you're always on my mind, I can't
stay away.

E Am
I'd forgotten 'bout you, then you turned up again,
B7 Em A
I always knew we were meant to be more than
D friends.

D7 G C D
When you're near, it's just as plain as it can be,
C Eb G Em Am
I'm wild about you, gal, you ought to be a fool
D about me.

D7 G C D
Can't explain the sources of this hidden pain,
Em C Eb G
you burned your way into my heart,
Am D G Em Am
you got the key to my brain.

D G
I've been trampling through mud praying to the powers
above
C Eb G Em Am
I'm sweating blood, you got a face that begs for (G C D G C)
love.

E Am
Life without you doesn't mean a thing to me,
B7 Em A
if I can't have you, I'll throw my love into the deep blue
D sea.

D7 G C D
Sometimes I wonder why you can't treat me right,
C Eb G Em Am
you do good all day, and then you do wrong all
night
D7 G
When you're with me,

G
I'm a thousand times happier than I could ever say,
C Eb G Em Am D G
- Am
what does it matter, what price I pay ?
D G D7 G C
They brag about your sugar, brag about it all over town
C Eb G Em Am D
put some sugar in my bowl, I feel like layin'

down.

E Am
I'm as pale as a ghost holding a blossom on a stem.
B7 Em A

You ever seen a ghost? No? but you have heard of
them.

D7 G C D
I see you there, I'm blinded by the colors I see,
C Eb G Em Am D G
Em Am D
I take good care of what belongs to me.

(G C D G C)

D G C D
I hear your name ringing up and down the line,
C Eb G Em Am
D I'm saying it plain, these ties are strong enough
to bind.

D7 G C
Your sweet voice calls out from some old familiar shrine,
C Eb G Em
I have no choice,

D G C G
can't believe these things would ever fade from your mind.

E Am
I could live forever with you perfectly,
B7 Em A
you don't ever have to make a fuss over me.

D7 G C D
From east to west, ever since the world began,
C Eb G Em
I only mean it for the best,
Am D G Em
I won't be with you any way I can.

D7 G C D
I've been in a brawl, now I'm feeling the wall,
C Eb G Em Am D
G Em Am
I'm going away, baby, I won't be back till fall.
D G C D
High on the hill, you can carry all my thoughts with you,
C Eb G Em Am D
G C G
you know my will, this love could tear me in two.

E Am
I won't be with you in paradise, and it seems so
unfair,
B7 Em A

D
I can't go to paradise no more, I killed a man back
there.

D7 G C D
You think I'm over the hill, think I'm past my prime,
C Eb G Em
let me see what you got,
Am D G Em
we can have a whoppin' good time.

(G C D G C Eb G)
