

# Bob Dylan - Spirit On The Water

Tom: G

(intro) G C D G C Eb G Em C D G Em C

G D G C D  
 Spirit on the water, darkness on the face of the deep,  
 C Eb G Em Am  
 I keep thinking 'bout you, baby, and I can't hardly sleep.

D G C  
 I'm travelling by land, travelling through the dawn of the day,

C Eb G Em Am  
 you're always on my mind, I can't stay away.

E Am  
 I'd forgotten 'bout you, then you turned up again,

B7 D Em A  
 I always knew we were meant to be more than friends.

D7 G C D  
 When you're near, it's just as plain as it can be,

C Eb G Em Am  
 I'm wild about you, gal, you ought to be a fool about me.

D7 D G C  
 Can't explain the sources of this hidden pain,

Em C Eb G  
 you burned your way into my heart,  
 Am D G Em Am  
 you got the key to my brain.

D G C  
 I've been trampling through mud praying to the powers above

C Eb G Em Am  
 I'm sweating blood, you got a face that begs for ( G C D G C )  
 love.

E Am  
 Life without you doesn't mean a thing to me,  
 B7 D Em A  
 if I can't have you, I'll throw my love into the deep blue sea.

G D7 G C D  
 Sometimes I wonder why you can't treat me right,

C Eb G Em Am  
 you do good all day, and then you do wrong all night

D7 G C  
 When you're with me,

G  
 I'm a thousand times happier than I could ever say,  
 C Eb G Em Am D G  
 what does it matter, what price I pay ?

D G C  
 They brag about your sugar, brag about it all over town

C Eb G Em Am D  
 put some sugar in my bowl, I feel like layin'

down.

E Am  
 I'm as pale as a ghost holding a blossom on a stem.

B7 D Em A  
 You ever seen a ghost? No? but you have heard of them.

D7 G C D  
 I see you there, I'm blinded by the colors I see,  
 C Eb G Em Am D G  
 I take good care of what belongs to me.

( G C D G C )

D G C D  
 I hear your name ringing up and down the line,

C Eb G Em Am  
 I'm saying it plain, these ties are strong enough to bind.

D7 G C  
 Your sweet voice calls out from some old familiar shrine,  
 D C Eb G Em  
 I have no choice,

D G C G  
 can't believe these things would ever fade from your mind.

E Am  
 I could live forever with you perfectly,

B7 D Em A  
 you don't ever have to make a fuss over me.

D7 G C D  
 From east to west, ever since the world began,

C Eb G Em  
 I only mean it for the best,  
 Am D G Em  
 I won't be with you any way I can.

D7 G C D  
 I've been in a brawl, now I'm feeling the wall,  
 C Eb G Em Am D  
 I'm going away, baby, I won't be back till fall.

G  
 High on the hill, you can carry all my thoughts with you,  
 C Eb G Em Am D  
 you know my will, this love could tear me in two.

E Am  
 I won't be with you in paradise, and it seems so unfair,

B7 D Em A  
 I can't go to paradise no more, I killed a man back there.

D7 G C D  
 You think I'm over the hill, think I'm past my prime,  
 C Eb G Em  
 let me see what you got,  
 Am D G Em  
 we can have a whoppin' good time.

( G C D G C Eb G )
