A worried man with a worried mind
No one in front of me and nothing behind
There's a woman on my lap and she's drinking champagne
Got white skin, got assassin's eyes
I'm looking up into the sapphire tempered skies
I'm well dressed, waiting on the last train
Standin' on the gallows with my head in the noose
Any minute now I'm expectin' all hell to break loose
People are crazy and times are strange
I'm locked in tight, I'm out of range
I used to care but - things have changed
( Em Am B7 )
This place ain't doin' me any good
I'm in the wrong town, I should've been in Hollywood
Just for a second there I thought I saw something move
Gonna take dancin' lessons, do the jitterbug rag
```

Acordes

```
Ain't no shortcuts, gonna dress in drag
Only a fool in here would think he got anythin' to prove
                                B7
Lotta water under the bridge, lotta other stuff too
Don't get up gentlemen, I'm only passing through
( Em Am B7 )
Em
I've been walkin' forty miles of bad road
If the Bible is right the world will explode
I'm tryin' to get as far away from myself, as I can
Some things are too hot to touch
The human mind can only stand so much
You can't win, with a losing hand
Feel like falling in love, with the first woman I meet
Puttin' her in a wheelbarrow, and wheelin' her down the street
I hurt easy, I just don't show it
You can hurt someone and not even know it
The next sixty seconds could be like an, eternity
Gonna get lowdown, gonna fly high
All the truth in the world adds up to one big lie
                                 B7 Em
I'm in love with a woman that don't even appeal to me
Mr. Jinx and miss Lucy they jumped in a lake
I'm not that eager to make a mistake
```
