

# Bob Marley - Ambush in the night

Tom: **D**

**D Bm G A**

(Ooh-wee, ooh-wee, ooh-wa!)  
See them fighting for power (ooh-wee, ooh-wee, ooh-wa!),  
But they know not the hour (ooh-wee, ooh-wee, ooh-wa!);;  
So they bribing with their guns, spare-parts and money,

**D Bm G**

Trying to belittle our integrity now.

**Em A Em D**

They say what we know  
Is just what they teach us;  
And we're so ignorant  
'Cause every time they can reach us (shoobe, doo-wa)

**G A Em A7**

Through political strategy (shoo-be, doo-wa);  
They keep us hungry (shoobe, doo-wa),  
And when you gonna get some food (shoobe, doo-wa),  
Your brother got to be your enemy, we-e-ell!

**(Bm Bm G A)**

Ambush in the night,  
All guns aiming at me;  
Ambush in the night,  
They opened fire on me now.  
Ambush in the night,

Protected by His Majesty.

**(D Bm G A)**

Ooh-wee, ooh-wee. Ooh-wa-ooh!  
(Ooh-wee) Ooh-wee, ooh-wee (ooh-wa), Ooh-wa!  
Ooh-wee, ooh-wee, ooh wa-ooh!  
Ooh-wee, ooh-wee, ooh wa-ah!

**Em A Em D**

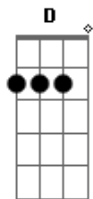

Well, what we know  
Is not what they tell us;  
We're not ignorant, I mean it,  
And they just cannot touch us;

**G A Em A7**

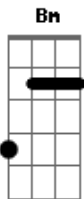

Through the powers of the Most-High (shoobe, doo-wa),  
We keep on surfacin' (shoobe, doo-wa);  
Thru the powers of the Most-I (shoobe, doo-wa),  
We keep on survivin'.

Yeah, this ambush in the night  
Planned by society;  
Ambush in the night;  
They tryin' to conquer me;  
Ambush in the night  
Anyt'ing money can bring;  
Ambush in the night  
Planned by society;  
Ambush in the night
