

Bob Marley - Dewdrops

```
Tom: G
I've been searching the whole darn day
For the little woman of mine, mine, mine, mine!
                        Fm
Someone told me I could find her here,
but it seems she dissappear.
I've been searching the whole darn day,
Night is drawing nigh,
           Em
I think I'd better go home,
C - D
Try again.
When I reach that railroad station
I missed the last train, and then it
         G C G
Seems like dewdrops gonna fall on me. Yes, it C \qquad G \qquad C \qquad D \qquad G
seems like tear drops gonna call on me, now.
