

Bob Marley - Exodus

Tom: **C**

(intro)

"exodus!" "movement of jah people"

"open your eyes and let me tell you this"

(repeat this through da verse)

(verse)

Men and people will fight you down (tell me why?)
When you see jah light (ha ha ha ha ha ha)
Let me tell you, if you're not wrong (then why?)
Ev'rything is alright
So we gonna walk, alright, through the roads of creation
We're the generation (tell me why)
Trod through great tribulation

(chorus)
"exodus!" "movement of jah people"

(repeat this through da verse)

(verse)

Open your eyes and look within
Are you satisfied with the life you're living?
We know where we're going; we know where we're from
We're leaving babylon, we're going to our fatherland
(1-2-3-4)

(chorus) (one as many times as ya need to but with some cool
as variations in
And hammer ons)
"exodus!" "movement of jah people"

Send us another brother moises (gonna cross the red sea!)
(do this twice)

Send us another brother moises (gonna cross the red sea!)
(do this twice)

Exodus, movement of jah people
Exodus, exodus, exodus, exodus,
Exodus, exodus, exodus, exodus
Move! move! move! move! move! move!
For that, use the chorus riff and verse riff. you'll figure
out where 2 use what.

(the song is basically that shit that is shown above)
(but at the end where it has that loud guitar part that sounds
like "movement of jah people," you do)

(and repeat that as much as you need to)
