

Bob Marley - Hammer

Tom: **Bb**

(**Ab** e **Bb** até o final)

They just keep ordering me
Won't let go...
Holding me
Won't let go...

I need a hammer, a hammer,
a hammer, a hammer, (2x)
to hammer them down

They just keep teasing me
And you know that they lie they don't know
Provoking me
But this is all I know

I need a hammer, a hammer,
a hammer, a hammer, (2x)
to hammer them down

(solo **Eb F**) (2x)

I need a hammer, a hammer,
a hammer, a hammer, (4x)
to hammer them down

Ordering me
Won't let go...
Holding me
Won't let go...

I need a hammer, a hammer,
a hammer, a hammer,
to hammer them down
