

Bob Marley - How many times

Tom: **Db**

Db Bbm Gb Ab (esta sequencia a musica toda)

How many times I've told you/ I love you?
But now you want to say that/ we are through
Oh, what more/ can I do?
What more, can I/ say to you?
Now you're gone...
Do you remember that first/ night we met?
That was a moment /I never will forget

Love was at fiiiirst sight
You came walking/ through the pale,
Pale moonlight
Pale moonlight
Do you remember that first/ night we met?
That was a moment I'll-ahh/ never will forget
Love was at your first sight
You came walking/ through the p-p-pale, p-p-pale,
Pale moonlight
Pale moonlight
Doo, do-do-wop, choo-wop, choo-wop
Doo, do-do-wop, choo-wop, choo-wop
