## **Bob Marley - Jamming**

```
Tom: G
                                                                Bm
                                                                                   E7
                                                              We're jamming jamming jamming
                                                               G
                                                                                             Gbm7
              E7
                                                              We're jamming right straight from Jah.
Rm
We're jamming, we're jamming
                                                               Bm
                                                                         Em
         Gbm7
                                                              Holy mount Zion
G
I wanna jam it with you,
                                                               Bm
                                                                         Em
Bm
             F7
                                                              Holy mount Zion
We're jamming, jamming
                                                                                Fm
                                                               Bm
                           Gbm7
                                                              Jah sitteth in mount Zion
      G
and I hope you like jamming too.
                                                               Bm
                                                                                           F7
                                           E7
                                                              And rules all Creation, yeah we're,
                                  Bm
Bm
                       E7
Ain't no rules ain't no vow we can do it anyhow
                                                               Bm
                                                                       F7
                                                              we're jamming.
                         Gbm7
   G
and I know will see you through,
                              Bm
 Bm
             E7
                                             F7
                                                               Bm
                                                                         F7
'Cos every day we pay the price with a living sacrifice
                                                              We're jamming
                                                                               Gbm7
G
                       Gbm7
                                                                G
jamming till the jam is through.
                                                              I wanna jam it with you.
                                                                Bm
                                                                                  E7
 Bm
                F7
                                                              We're jamming jamming jamming jamming
We're jamming, we're jamming
                                                                G
                                                                                          Gbm7
                                       Gbm7
                                                              I'm jammed I hope you're jamming too.
  G
to think that jamming was a thing of the past,
                                                                Bm
                                                                                       E7
                                                              Jam's about my pride and tryth I cannot hide
 Bm
               E7
We're jamming, we're jamming
                                                               G
                                                                            Gbm7
                                                              to keep you satisfied.
 G
                        Gbm7
and I hope this jam is gonna last.
                                                                                          F7
                                                               Bm
                           E7
                                                              True love that now exist is the love I can't resist
Bm
No bullet can stop us now. We need neither beg nor will we bow
                                                              G
                                                                           Gbm7
                                                              so jam by my side.
G
                          Gbm7
neither can be bought nor sold.
                                                                                 F7
Bm
                                   F7
                                                               Bm
We all defend the right that the children must unite,
                                                              We're jamming jamming jamming
G
                                                                 G
                                                                               Gbm7
                                 Gbm7
your life is worth much more than gold.
                                                              I wanna jam it with you.
                                                                Bm
                                                                               F7
                                                              Jamming jamming jamming jamming
 Rm
                    F7
We're jamming jamming jamming
                                                                G
                                                              hope you like jamming too.
```

G Gbm7 We're jamming in the name of the Lord.
