Bob Marley - Judge Not

```
Tabbed by matbretas

F
Don't you look at me so smug
Bb
And say I'm going bad.

F
Who are you to judge me
C
And the life that I live?

F
I know that I'm not perfect
Bb
And that I don't claim to be.
F
So before you point your fingers,
C
Be sure your hands are clean.
Bb
Judge not
F
Before you judge yourself.
Bb
Judge not
C
If you're not ready for judgement. Woah oh oh!
```

Acordes

```
The road of life is rocking
Bb

And you may stumble too.
F

So while you talk about me,
C

someone else is judging you.

(solo de sax) (versão para violão)

Judge not
Before you judge yourself.
Judge not
If you're not ready for judgement. Woah oh oh!

The road of life is rocking
And you may stumble too
So while you talk about me
```

Someone else is judging you (?)
