

# Bob Marley - Ride Natty Ride

Tom: A

(A Gbm D E)

Dready got a job to do  
 And he's got to fulfill that mission  
 To see his hurt is their  
 Greatest ambition  
 But we will survive  
 In this world of competition  
 'Cause no matter what they do  
 Natty keep on coming thru  
 And no matter what they say  
 Natty de deh every day

(A Gbm D E)

Natty dread rides again  
 Thru the mystics of tomorrow  
 Natty dread rides again  
 Having no fear, having no sorrow

A E A  
 All and all you can see a gwan  
 A E A  
 Is to fight against the Rastaman  
 A E A  
 So they build their world  
 In great confusion Gbm  
 A  
 To force us in the devil's illusion  
 A E A  
 But the stone that the builder refuse  
 A E A  
 Shall be the head cornerstone  
 A E A  
 And no matter what games they play  
 A Gbm  
 There is something they could  
 Never take away  
 A Gbm  
 Something they could never take away  
 Gbm Gbm  
 And it's the fire, it's the fire, fire  
 D A  
 Burning down everything  
 Gbm Gbm  
 Feel the fire, fire, the fire, the fire  
 D A

Only the birds have wings  
 A D A  
 No time to be deceived  
 A D A  
 You should know and not believe  
 A D  
 Jah says this judgment Gbm  
 Could never be with water D Gbm  
 So no water could put out this fire  
 This this fire, this this fire  
 (então repete desde o começo)  
 This this fire Ride Natty Ride  
 Go deh Dready, go deh Dready, go deh

Now the fire is burning  
 Out of control panic in the city  
 Wicked weeping for their gold  
 Everywhere the fire is burning  
 Destroying and melting their gold  
 Destroying and wasting their souls

Ride Natty Ride  
 Go deh Dready, go deh Dready  
 Go deh Dready, go deh

Now the people gather on the beach  
 And the leader try to make a speech  
 But dread again tell them it's too late  
 Fire is burning  
 Man pull your own weight  
 Fire is burning  
 Man pull your own weight

Natty dread rides again  
 Go deh Dready, go deh Dready go deh  
 Oh Ride Natty Ride  
 Natty dread rides again  
 Go deh Dready, go deh, go deh Dready go deh  
 Riding thru the storm  
 And we're riding thru the calm  
 Go deh, go deh  
 We riding thru the thick  
 We riding thru the thin  
 Ride Natty, Ride Natty
