She made it through the exit (she just couldn't make it)  
And, oh my children, if you see me cryin'  
My woman is gone  
If you see me - if you see me - if you see me  
If you see me cryin'  
If you see me - if you see me - if you see me  
If you see me cryin'

She's gone (she's gone), she's gone (she's gone)  
she's gone (she's gone), she's gone, yeah
