

Bob Marley - Soul Shakedown Party

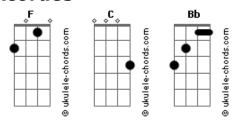

Tom: F

C | Bb

we gonna have a soul shakedown party tonight we gonna have a soul shakedown party tonight

the way you love me, it's alright the way you put your loving arms around me and you hold me tight this is my invitation

Acordes

I got the special vacation I need your concentration just to feel your vibration

I got soul shakedown party tonight we gonna have a soul shakedown party tonight

janey's in the backyard doing the outside dance from telling me the other day, she didn't even get a chance but this is my invitation I got the special vacation I need your concentration just to feel your vibration
