

# Bob Marley - Stand Alone

Tom: C

C Am  
There you are, cryin' again  
F G  
But your loveliness won't cover your shame  
C Am  
There you are, you're takin' true love  
F G  
And while you're takin' true love, you given the blame  
F G  
(How could I ...) Could I be so wrong

C Am  
To think that we could get along?  
F G  
Days I wasted with you, child  
C Am  
If I count there'll be a million or two  
F C  
Now I stand alone through the memories  
G  
That haunts me, that haunt  
F C  
Yeah, and I walk alone through the rhapsodies  
G  
That taunts me, that taunts me, me
