

Bob Marley - Stiff Necked Fools

Tom: C

Intro: C, C

Stiff necked fools, you think you're cool
 To deny me for simplicity
 Yes you have gone, for so long
 With your love for vanity now
 Yes you have got, the wrong interpretation
 Mixed up with vain imagination

So take JAH Sun, and JAH Moon
 And JAH Rain and JAH Stars
 And forever yes erase your fantasy, yeah

The lips of the righteous, teach many
 But fools die for want of wisdom
 The rich man's wealth is in his city
 The righteous wealth is in his Holy Place

Chorus

Destruction of the Poor is in their poverty
 Destruction of the soul is vanity, yea

So stiff necked fools, you think you're cool
 To deny me for simplicity, yeah, yeah
 Yes you have gone, gone for so long
 With your love for vanity now

But I don't wanna rule ya
 I don't wanna fool ya
 I don't wanna school ya
 Thngs you, you might never know about

Yes you have got the wrong interpretation
 Mixed up with vain, vain imagination
 Stiff necked fools, you think you're cool
 To deny me for, Ooh simplicity
