

# Bob Marley - Stiff Necked Fools

Tom: C

Intro: C, C

Stiff necked fools, you think you're cool  
 To deny me for simplicity  
 Yes you have gone, for so long  
 With your love for vanity now  
 Yes you have got, the wrong interpretation  
 Mixed up with vain imagination

So take JAH Sun, and JAH Moon  
 And JAH Rain and JAH Stars  
 And forever yes erase your fantasy, yeah

The lips of the righteous, teach many  
 But fools die for want of wisdom  
 The rich man's wealth is in his city  
 The righteous wealth is in his Holy Place

Chorus

Destruction of the Poor is in their poverty  
 Destruction of the soul is vanity, yea

So stiff necked fools, you think you're cool  
 To deny me for simplicity, yeah, yeah  
 Yes you have gone, gone for so long  
 With your love for vanity now

But I don't wanna rule ya  
 I don't wanna fool ya  
 I don't wanna school ya  
 Thngs you, you might never know about

Yes you have got the wrong interpretation  
 Mixed up with vain, vain imagination  
 Stiff necked fools, you think you're cool  
 To deny me for, Ooh simplicity
