Bob Moses - Back Down

```
                          tom:
                 Dm
Intro: Dm  C  Bb  G

Dm                         C
Caught in the tide of our own divide
       Bb              G
Our moment to make a stand
        Dm                   C
We're all in the fight for a future bright
        Bb             G
It's burning inside our hands
   Dm                   C
Fell on a line on our own this time
         Bb             G
We failed the forgotten man

Dm                 C
Your reality is our insanity
  Bb                  G
Our humanity is tearing at the seams

Dm    C    Bb                    G
Aaa-ah, never going back, never going back now
Dm    C    Bb                    G
Aaa-ah, never gonna back, never gonna back down

   Dm                   C
Blinded by faith and devotion
           Bb              G
Shade the fire inside our hearts
   Dm                           C
Ties that we've made have been broken by the
  Bb                G
```

```
Lies that pull us apart
  Dm                          C
Time that we take will be stolen from a
  Bb                  G
Dream that was almost ours

  Dm               C          Bb  G
Your reality is our insanity
  Dm               C              Bb
Our humanity is calling to be free

Dm    C    Bb                    G
Aaa-ah, never going back, never going back now
Dm    C    Bb                    G
Aaa-ah, never gonna back, never gonna back down

Dm       C
You and I
Bb        C                      Dm
Turned away from the promise to try
Dm       C
You and I
Bb            C                  Dm
Found our faith in the will of a lie
Dm
You and I

Dm    C    Bb                    G
Aaa-ah, never going back, never going back now
Dm    C    Bb                    G
Aaa-ah, never gonna back, never gonna back down
Dm    C    Bb                    G
Aaa-ah, never going back, never going back now
Dm    C    Bb                    G
Aaa-ah, never gonna back, never gonna back down
