You know that kind of smile
Who says: It's gonna be allright
You have to open your heart
To see the true
It isn't in your mind
It isn't on tv
It's in the bottom of my soul
But you still don't believe
[Refrão]

I'm falling on the grass
I don't worry by the way
I'm sick of all this lies
Cause yes I'm falling on the grass
I'm falling on the grass
I don't worry by the way
I'm sick of all this lies
Cause yes I'm falling on the grass
(**A E A E**)

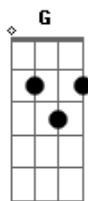

Well, the sun is going down
And when people of the town
Have nothing more to find
And nothing to hide
There will be a shining light??Inside
You can buy another car
You can build another soul
Jump into the fire
And see there's something wrong
