Now you and I can get together
And start a revolution
Change this world
To what it should be
And forget all this confusion
We could live together
For the sake of love
What are we fighting for ?
We can start the Illy today
If we can just learn to give
( Riff_1 Am Riff_2 C ) Give a little love
You and I can change the world
Live a lil love
Make it better, If we try
Show a lil love
Let your love rain
Let it rain down on me
Riff_3
( Am C )
Now If we wait
And do nothing
Then what about the future ?
How can we look into their eyes
And say we love my children
We can make it better
```

Forget foolish pride Oh Yeaah I know that we can find the way If we can just learn to give ( Riff\_1  $\stackrel{\mbox{Am}}{\mbox{Am}}$  Riff\_2  $\stackrel{\mbox{C}}{\mbox{C}}$  ) Give a lil love You and I can change the world Live a lil love Make it better, If we try Show a lil love Let your love rain Let it rain down on me Riff 3 (Am C) So Let it rain For the people let it rain on me with your love Let it rain now Let it rain And let the children sing : (Children) Around the world you feel the love that we sing, Hey Around the world you sing : Make a better day !
