

Bob Sinclar - Rainbow Of Love

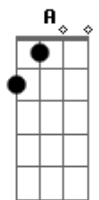

Tom: A

Intro: .: D A E (2x)

Your clear eye
 Is the most beautiful thing
 Like sunrise
 Over the sea
 And when you smile with the day
 Your eyes are the warmest thing
 You shed yesterday's skin
 And a new day begins
 So even when clear skies
 Seem so far away
 Why go chasing rainbows
 Rainbows from your door
 Cause even all the clear skies
 Won't bring back yesterday
 So why go chasing rainbows
 Rainbows from your door
 D A E
 Those who have seen
 Seen the phoenix rise
 Say even from the pyre
 The dawn can still be beautiful
 The sound of your sunrise

Carries on the four winds
 You shed yesterday's skin
 And a new day begins
 So even when clear skies
 Seem so far away
 Why go chasing rainbows
 Rainbows from your door
 Cause even all the clear skies
 Won't bring back yesterday
 So why go chasing rainbows
 Rainbows from your door
 D A E
 Sometimes we want to run away
 From a place long gone
 Sometimes we want to throw away
 What we need for what we want
 When it's time to move on move on...
 So even when clear skies
 Seem so far away
 Why go chasing rainbows
 Rainbows from your door
 Cause even all the clear skies
 Won't bring back yesterday
 So why go chasing rainbows
 Rainbows from your door
