

## B.o.B - Airplanes

Tom: **D**

Can we pretend that airplanes **Gbm**

In the night sky

Are like shooting stars **A** **Dbm**

**Dbm**  
I could really use a wish right now (wish right now, wish right now)

Can we pretend that airplanes **Gbm**

In the night sky

Are like shooting stars **A** **Dbm**

**Dbm**  
I could really use a wish right now (wish right now, wish right now)

Verso 1:

**Gbm**  
I could use a dream or a genie or a wish

**A** **Dbm**  
To go back to a place much simpler than this

**Gbm**  
Cause after all the partyin' and smashin' and crashin'

**A** **Dbm**  
And all the glitz and the glam and the fashion

**Gbm**  
And all the pandemonium and all the madness

**A** **Dbm**  
There comes a time where you fade to the blackness

**Gbm**  
And when you're staring at that phone in your lap

**A** **Dbm**  
And you hoping but them people never call you back

**Gbm**  
But that's just how the story unfolds

**A** **Dbm**  
You get another hand soon after you fold

**Gbm**  
And when your plans unravel

**A** **Dbm**  
And they sayin' what would you wish for if you had one chance

**Gbm**  
So airplane airplane sorry I'm late

**A** **Dbm**  
I'm on my way so don't close that gate

**Gbm**  
If I don't make that then I'll switch my flight

**A** **Dbm**  
And I'll be right back at it by the end of the night

**Gbm**  
Can we pretend that airplanes

In the night sky

Are like shooting stars **A** **Dbm**

**Dbm**  
I could really use a wish right now (wish right now, wish right now)

right now)

Can we pretend that airplanes **Gbm**

In the night sky

Are like shooting stars **A** **Dbm**

**Dbm**  
I could really use a wish right now (wish right now, wish right now)

Verso 2:

**Gbm**  
Somebody take me back to the days

**A** **Dbm**  
Before this was a job, before I got paid

**Gbm**  
Before it ever mattered what I had in my bank

**A** **Dbm**  
Yeah back when I was tryin' to get into the subway

**Gbm**  
And back when I was rappin' for the hell of it

**A** **Dbm**  
But now a days we rappin' to stay relevant

**Gbm**  
I'm guessin that if we can make some wishes outta airplanes

**A** **Dbm**  
Then maybe yo maybe I'll go back to the days

**Gbm**  
Before the politics that we call the rap game

**A** **Dbm**  
And back when ain't nobody listened to my mix tape

**Gbm**  
And back before I tried to cover up my slang

**A** **Dbm**  
But this is for the Cada, what's up Bobby Ray

**Gbm**  
So can I get a wish to end the politics

**A** **Dbm**  
And get back to the music that started this sht

**Gbm**  
So here I stand and then again I say

**A** **Dbm**  
I'm hopin' we can make some wishes outta airplanes

**Gbm**  
Can we pretend that airplanes

In the night sky

Are like shooting stars **A** **Dbm**

**Dbm**  
I could really use a wish right now (wish right now, wish right now)

**Gbm**  
Can we pretend that airplanes

In the night sky

Are like shooting stars **A** **Dbm**

**Dbm**  
I could really use a wish right now (wish right now, wish right now)

## Acordes
