

# Bobby Womack - Harry Hippie

tom:  
Intro: **E**  
Everybody claims that they want the best things

Outta life, huh  
**A** But not everyone, not everyone, wanna go

Through the toils and strifes  
**E** Like this particular fella walks

Around all day long singin'  
**A** Sha na dah dah, dah lah, dah dah, dah dah

[Primeira Parte]

**E** Harry Hippie, lies asleep in the shade  
**A** Life don't bug him 'cause he thinks he's got it made  
**E** He never worry about nothin' in particular  
**A** But ooh, he might even sell free press on sunset

[Ponte 1]

**Dbm** I'd like to help a man when he's down  
**Dbm** But I can't help him much  
**Abm** When he's sleepin' on the ground

[Refrão 1]

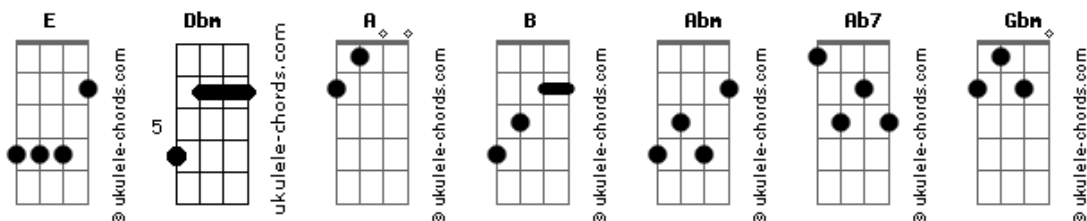

**E** He's like a bottle in water  
**A** Harry just floats through life  
**E** Walks around all day long singin' this song  
**A** Whoa, whoa, whoa, oh yeah

[Segunda Parte]

**E** Mary Hippie, she's Harry's lady  
**A** Panhandles pennies just to feed Harry's baby  
**E** She can lie down a story so incredible  
( **A** )

**B** Man, you wanna help her take  
The food home and put it on the table

## Acordes

[Ponte 2]

**Dbm** I'd like to help a man when he's down  
**Dbm** But I can't help ya, Harry  
**Abm** If you wanna sleep on the ground

[Refrão 2]

**E** Sorry Harry, oh, you're too much weight to  
**Abm** Carry around  
**E** But he still walks around all day long

Singin' this song  
**E** Sha dah dah dah, sha nah nah nah nah nah  
**A** Sha lah lah lah lah dah dah dah dah

[Terceira Parte]

**E** Street child, street child Tell me, where will  
You be goin'  
**A** When old man winter gets his horn

And starts blowin'?  
**E** Will you hang around LA, or hitch a  
Ride on a freeway?  
**A** Meet an old familiar face in a new place?

[Ponte 2]

**Dbm** I'd like to help a man when he's down  
**Dbm** But how can I help him  
**Abm** If he's somewhere outta town?

[Refrão 3]

**E** Sorry Harry, think I'm gonna put you down  
**E** Sha dah dah dah, sha nah nah nah nah nah  
**A** Sha lah lah lah lah dah dah dah dah

[Final] **E** **Dbm**  
**A** Everybody help me sing this song, oh yeah  
(Sha lah lah lah, sha lah lah lah)
