

# Boizinho Barrica - Lua cheia

Tom: C

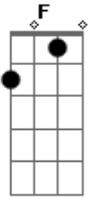

Lua, lua cheia  
 Que nasce no meio das águas  
 Que brilha na Ponta d'Areia  
 Que finge morrer e desmaia  
 Nos braços de uma sereia  
 Alumeia o meu amor

Que vem nas ondas do mar  
 Incendiou meu coração  
 Pr'eu nao chorar  
 Ó lua linda prateada  
 Que vem surgindo mais feliz  
 Eu quero ver a Estrela Dalva  
 Outra vez em São Luís
