

# Bon Iver - Blood Bank

Tom: **G**

Well I met you at the blood bank **Em** **D**  
 We were looking at the bags **C**  
 Wondering if any of the colors **Em** **D**  
 Matched any of the names we knew on the tags **C**

You said "see look it thats yours!" **G**  
 Stacked on top with your brother's **D**  
 See how they resemble one another **Em**  
 Even in their plastic little covers" **C**

And I said I know it well **C** **Em** **D** (Hold chords) **G**

That secret that you knew **G**  
 But don't know how to tell **D**  
 It fucks with your honor **G**  
 And it teases your head **D**  
 But you know that its good girl **Em**  
 Cos its running you with red **C**

**Em** **D**

Then the snow started falling  
 We were stuck out in your car **C**  
 You were rubbing both of my hands **Em** **D**  
 Chewing on a candy bar **C**

You said "'aint this just like the present" **G**  
 To be showing up like this" **D**  
 There's a moon waning crescent **Em**  
 We started to kiss **C**

And I said I know it well **C** **Em** **D**

That secret that we know **G**  
 That we don't know how to tell **D**  
 I'm in love with your honor **G**  
 I'm in love with your cheeks **D**  
 What's that noise up the stairs babe? **Em**  
 Is that Christmas morning? **C**

And I said I know it well **C** **Em** **D**  
 I know it well ...
