

# Bon Jovi - Amen

Tom: C

C F  
Last night I had a dream  
C F  
The dream I had was true  
C F  
I fell through the stars  
C F  
Went walking on the moon  
Am F G  
Burned like a thousand candles in her arms

C F  
The skin under my finger tips  
C F  
Honeysuckle of her lips  
C F Am  
Sweeter than a man deserves to taste  
F G  
Mercy, mercy, what else can I say?

C F C F C F  
But Amen. Amen Amen

C F  
Last night we were born together  
C F  
It was like we'd always been  
C F  
She'll be with me forever  
C F  
If I don't see her again  
Am F G  
We poured the wine until our cup ran over

C F  
Unfolding like the mystery  
C F  
Inside of her like poetry  
C F Am  
A thousand horses running through my veins

F G  
Mercy, mercy what else can I say

C F C F C F  
But Amen. Amen Amen

Am F  
I laid down in her garden  
Am F  
Naked on her floor  
Am F  
Windows up, the curtains blowing  
Am F  
She don't lock the door

Am F C G Am F C G  
Amen, Amen

C F  
At the banquet table  
C F  
A beggar at a feast  
C F  
I felt her tongue between my lips  
C F  
And I forgot to breath  
Am F G  
We stayed there 'til the candles burned the carpet

C F  
Last night I had a dream  
C F  
The dream I had was true  
C F Am  
Mercy, mercy, what else can I say  
F G  
Mercy, mercy, I'll kneel down and pray  
C F C F  
Amen, Amen

Am F C G Am F C G  
Amen, Amen
