

# Bon Jovi - Beautiful World

Tom: **C**  
Intro: **C G Am F**

(1 Verso)

Every day it's the same when they say that it might be the end  
In the end when it ends I don't listen to them  
You wake up go to work go to sleep then you do it, you do it  
If you're lucky then you do it again

Yeah we walk through a world that we don't understand  
When I look in your eyes I'm just happy I can  
Yeah will laugh and will cry and will lose and will win  
Will get through it and to prove it, yeah will do it again.

(Ponte)

There's glory in my saddest story..

(Refrão)

Look at it, just sticks and bricks  
Makes you want my howl of pieces thick  
Where we go and where we've been  
This ain't paradise we're living in  
It's a diamond, it's a dirty plastic pearl  
Uh, but ain't it a beautiful world.

(2 Verso)

It's a shame when they say that's it's binned on the sin  
they can dig in that grave up and ..aheads  
there's a kid with a dream in the sky for his stars  
there's another first kiss, in them back of some car.

Turn our page and write the story..

(Refrão)

Look at it, just sticks and bricks  
Makes you want my howl of pieces thick  
Where we go and where we've been  
This ain't paradise we're living in  
It's a diamond, it's a dirty plastic pearl  
Uh, but ain't it a beautiful world.

They're running numbers out of the Spanish coast  
Where merry Mary sends her rose  
We get a ladder, there's a cat up in a tree

The Pretzel man's wearing Gucci glasses  
A widow spreads her lovers ashes  
I'll hold on to you, hold on to me, yeah  
We'll do it, we'll do it, yeah, we're lucky then we'll do it again

Look at it, just sticks and bricks  
Makes you want my howl of pieces thick  
Where we go and where we've been  
This ain't paradise we're living in  
It's a diamond, it's a dirty plastic pearl  
Uh, but ain't it a beautiful world.  
Ain't it a beautiful world.  
Oh ain't it a beautiful world.
