

# Bon Jovi - Bells of Freedom

Tom: **D**

(verse)

I have **Bm** walked all **G** alone on these **D** streets I **A** call home

Streets of **Bm** hope, streets of **G** fear

Through the **D** sidewalk **A** cracks, time **Bm** disappears **Bm**

I was **Bm** lost on my **G** knees only **D** if **A** hugged the **A** field

**Bm** As I **Bm** choked back to **G** tears, there's a **D** silent **A** scream no one **A** could hear

(Bridge)

**G** So far away **A** from everything, you know it's **A** true

**G** Something inside that makes you do what you got to do

(Chorus)

Ring the **D** bells, ring them **A** loud

Let them **Bm** ring here and **G** now

Just reach out and ring the bells of **D** freedom **A**

When your **D** world's crashing down like you've **A** lost every **Bm** round **G**

Stand the **D** ground

And ring the **A** bells of **G** freedom

(VERSE )

Up the **Bm** steps of the **G** church, through the **D** fields in the **A** dirt

**Bm** In the dark I have seen that the sun still shines for the one **Bm** who believe

(Bridge)

**G** So far away, so full of **A** doubt  
You needed proof

**G** Just close your eyes and hear the sound inside of you **A**

(Chorus)

Ring the **D** bells, ring them **A** loud

Let them **Bm** ring here and **G** now

Just reach out and ring the bells of **D** freedom **A**

When your **D** world's crashing down like you've **A** lost every **Bm** round **G**

Stand the **D** ground

And ring the **A** bells of **G** freedom

(Solo)

**D** **A** **Bm** **G**  
**D** **A** **G**

(Bridge)

Ring the **D** bells, ring them **A** loud

Let'em **Bm** ring here and **G** now

Just reach out and ring the bells of **D** freedom **A**

When your **D** world's crashing down like you've **A** lost every **Bm** round

Stand the **D** ground

And ring the **A** bells of **G** freedom

(Chorus)

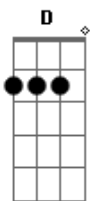

Ring the **D** bells, ring them **A** loud

Let them **Bm** ring here and **G** now

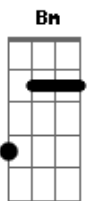

**G** **D** **A** **G**... **Bm** **G** **D** **A** **Bm**

Just reach out and ring the bells of freedom
