

# Bon Jovi - Bobby's Girl

Tom: E

I give you my word I fill you with promises,  
I give you anything you want I told you we could be more than friends.

( A B E Dbm )

You and me baby, live for the day and the dark of the night,  
Anxious for tomorrow, everything gonna be alright.

Baby it doesn't matter what they say,  
When they say, she's Bobby's girl, Jonny, you're playin' with dynamite.

She's Bobby's girl, close the door baby, it'll be alright

When I hear you on the telephone, my body trembles and my blood runs hot.

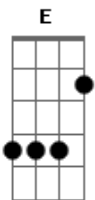

You're so much more than a girl you bring me up when I'm not.

You and me baby, on a magic carpet ride,  
We live for tomorrow, everything gonna be alright.  
It don't matter what they say,

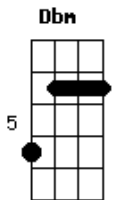

When they say, she's Bobby's girl, Jonny, you're playin' with dynamite.

She's Bobby's girl, close the door baby, it'll be alright
