

# Bon Jovi - Every Word Was Piece Of My Heart

Tom: D

I've been staring at the page for what seems like days  
 I guess I put this one off for a while  
 Did I see a tear fall from your eyes ?  
 Or did you laugh so hard that you cried ?  
 When I served my secrets on a silver tray to you (hey now)  
 Hey now, I guess the night's just bringing me down  
 Em G G  
 There's no love, there's no hate  
 I left them there for you to take  
 But know that every word was a piece of my heart (hey now)  
 D A D  
 You've been the blood in my veins  
 The only one who knows my middle name  
 And the smiles, they came easy 'cause of you (hey now)  
 You know that I love you, but I hate you  
 'Cause I know I can never escape you  
 So let the choir sing for tonight I'm an easy mark (hey now)  
 Hey now, am I acting just a little too proud ?  
 Em G G  
 There's no love, there's no hate  
 I left them there for you to take  
 But know that every word was a piece of my heart (hey now)  
 D A D  
 Have I said too much

Maybe I haven't said enough  
 But know that every word was a piece of my heart (hey now)  
 D A D  
 Hush me darling, maybe I've lost my touch  
 Maybe I've lost my guts  
 There, is that truth enough ?  
 Hey now, hey now...  
 Em G  
 [Guitar solo] D G D G D G D  
 You know these love letters mix with whisky  
 Just don't light a match when you kiss me  
 Though I'll blow away, you know I'll be back soon (hey now)  
 Hey now, hey now, hey now, am I talking just a little too loud ?  
 Em G Em G  
 There's no love, there's no hate  
 I left them there for you to take  
 But know that every word was a piece of my heart  
 D A D  
 Have I said too much  
 Maybe I haven't said enough  
 But know that every word was a piece of my heart  
 D A D  
 Hey now, am I talking just a little too proud ?  
 Em G  
 Hey now, the night's just bringing me down
