

Bon Jovi - Garageland

Tom: **E**

(INTRO)

These are the riff that you'll do in the intro and verse.
Este será o riff que você fará na intro e no verso

(VERSE)

E I read the paper just the other day **A**
E About a buddy of mine who headed to an early grave **A**
E They say he went in his sleep
A With a smile on his face
D Bet he was dreaming 'bout those better days

E When the crash of the drums
A Hit like the waves on a beach
E That cheap bass and guitar and our wildest dreams
((BRIDGE))
Gbm We were searching for a savior like anybody else **A**
E Trying to save ourselves from ourselves **D**

((Chorus))

E Just a garage band **A**
E We weren't alive
A We were livin' in Garageland

(VERSE)

E Our parents all held jobs but we had other plans **A**
E We acted like our heroes
A They just didn't understand

((BRIDGE))

Gbm We were never afraid to fall **A**
E It was us and those four walls **D**

((Chorus))

E Just a garage band **A**
E We weren't alive
A We were livin' in Garageland
D Nothing else felt so right **A**
E Just us, those guitars
D And a Saturday night

((SOLO))

E **A** **E** **A**

((BRIDGE))---> I don't know these lines (eu não sei a letra dessa estrofe)

D Cause... **A**
E You felt...
D You hear... **A**
B When druns...

((Chorus))

E Just a garage band **A**
E We weren't alive
A We were livin' in Garageland
D Nothing else felt so right **A**
E Just us, those guitars
D And a Saturday night
