

Bon Jovi - Happy Now

```
Tom: G
What would you say to me
If I told you I had a dream
             Em
If I told you everything
Would you tell me to go back to sleep
Take a look in these tired eyes
They're coming back to life
              Em
I know I can change, got hope in my veins
I tell you I ain't going back to the pain
Can I be happy now?
         Bm
Can I let my breath out
Let me believe I'm building a dream
Don't try to drag me down
I just wanna scream out loud
         Bm
Can I be happy now?
Went down on my knees I learned how to bleed
I'm turning my world around
Can I be happy now
       Bm
Can I break free somehow
I just wanna live again, Love again
Take my pride off of the ground
I'm ready to pick a fight
Crawl out of the dark to shine a light
                 Em
```

I ain't throwing stones, got sins of my own
