

Bon Jovi - Have a Nice Day

Tom: E

Intro: 2x: Dbm E A E B

Primeira Parte:

Why you wanna tell me how to live my life?
Who are you to tell me if it's black or white?

Primeira Ponte:

Momma, can you hear me? Try to understand
Is innocence the difference 'tween a boy and a man
My daddy lived a lie, that's just the price that he paid
Sacrificed his life, just slaving away

Primeiro Refrão:

Oh, if there's one thing I hang onto
That gets me thru the night
I ain't gonna do what I don't want to
I'm gonna live my life
Shining like a diamond, rolling with the dice
Standing on the ledge,
I'll show the wind how to fly
When the world gets in my face
I say...
Have a nice day
Have a nice day!

Segunda Parte:

Take a look around you, nothing's what it seems
We're living in a broken home of hopes and dreams

Segunda Ponte:

Let me be the first to shake a helping hand
Anybody brave enough to take a stand
I've knocked on every door, on every dead end street
Looking for forgiveness and what's left to believe

Segundo Refrão:

Oh, if there's one thing I hang onto

That gets me thru the night

I ain't gonna do what I don't want to
I'm gonna live my life
Shining like a diamond, rolling with the dice
Standing on the ledge,
I'll show the wind how to fly
When the world gets in my face
I say...
Have a nice day
Have a nice day!

Solo: Dbm A E B (2x)

(Dbm E A E B) (2x)

Terceiro Refrão:

Oh, if there's one thing I hang onto
That gets me thru the night
I ain't gonna do what I don't want to
I'm gonna live my life
Shining like a diamond, rolling with the dice
Standing on the ledge,
I'll show the wind how to fly
When the world gets in my face
I say...
Have a nice day!
Have a nice day!
When the world keeps trying to drag me down
gotta raise my hands,
gonna stand my ground I say, hey
Have a nice day!
Have a nice day!
