

Bon Jovi - I'm With You

Tom: Gb

Ebm Gb
Look at this world
Db Ab
it's filled with worn out faces
Ebm Gb Db Ab
forgotten places and nothing changes
Ebm Gb Db Ab
Whatever happened to that new day rising
Ebm Gb Db Ab
we're just surviving and living is dying
B Gb Db
Aren't you tired of being let down
B Ab Db
another day, another shakedown
I'm With You

When hope is gone and all you want is the truth (I'm With You)
Ebm B Gb Db
You carry on when it seems no use
Ebm B Gb Db
I'm With You

If I got one thing I got something to prove
Ebm B Gb Db
We all got nothing if there's nothing to lose (I'm With You)

VERSE 2

Ebm Gb Db Ab
I walk in shadows that seem all familiar
I've read the papers, a live forsaken
I'm an awful sale sign
Down on Main Street you just walk by
How many times you gotta break down
Before somebody's gonna shout out
I'm with you

CHORUS

Hope is gone and all you want is the truth (I'm With You)
You carry on when it seems no use
I'm With You
If I got one thing I got something to prove
We all got nothing if there's nothing to lose (I'm With You)
