

Bon Jovi - Lonely

Tom: **D**

(Intro)

D

(Verse)

D

There's a whole lotta lonely

Bm

waiting out there

G

There's a whole lot of people

Bm

that will lead you nowhere

Gbm

So be safe my lover

G

let me offer my prayer

D

There's a whole lotta lonely

D

waiting out there

D

There's a whole lot of kisses

Bm

waiting out there

G

And the world you've been missing

Bm

that don't play fair

Gbm

Let me offer you comfort

G

and show you how much I care

D

A

There's a whole lotta lonely

D

waiting out there

(Chorus)

G

When love is blind sometimes

Bm

the lies can get you through the night

G

I'm holding on to what I need

Bm

till you're too tired to fight

(Verse)

D

Now there's a lot of lone riders

Bm

so baby beware

G

After the warmth of his whisper

Bm

In the cool night air

Gbm

It'll be hard to wake up

G

to that handsome cold blank stare

D

Cause there's a hell of

A

a lotta lonely waiting out there

D

(Guitar solo)

Bm

A

Bm

A

(Chorus)

G

When love is blind sometimes

Bm

the lies can get you through the night

G

I'm holding on to what I need

Bm

A

till you're too tired to fly

(Verse)

D

Now there's a whole lotta lonely

Bm

waiting out there

G

There's a whole lot of people

Bm

that will lead you nowhere

Gbm

There's only so much sorrow

G

that a heart can bear

Bm

There's a hell of

A

a lotta lonely waiting out there

Bm

A

There's a hell of a lotta lonely

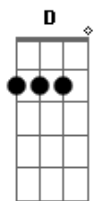

G

Baby I'm scared,

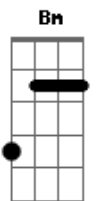

D

waiting out there.
