

Bon Jovi - Love's The Only Rule

Tom: E

I don't give a damn how it's supposed to be
 Light my world for you, it don't work for me
 You write your truth and I write mine
 One man's ceiling's another man's sky high

Flying like an aeroplane
 Cry like a lonely whistle of a long black train
 Dance in the pouring rain
 Spit in the eye of a hurricane
 Who said life's got to be so cruel
 Love's the only rule

It's written in the scars where I fit in
 It's gonna hurt sometimes, you've got to lose to win
 You got your sins and I've got mine
 Sell your secrets, kiss them all goodbye

Flying like an aeroplane

Alive like a lonely note from John Coltrane

Run, likes its a getaway
 Say those things that you shouldn't say
 Think about it, wouldn't that be cool
 If love's the only rule?

(solo) B E

Might be a wrecking ball
 Or just a wake up call
 Tonight I let the pieces fall

(Woohoo's - 3x)

I'm gonna fly like an aeroplane
 Cry like the whistle of a long black train
 Dance in the pouring rain
 I'm alive like a lonely note from John Coltrane
 Run, like it's a getaway
 Say those things you shouldn't say

(B E)

Love, Love's the only rule

Acordes
