And I would give up tomorrow
Em
And die for one yesterday

Washing up on this beach
C
The angels left here long ago
G
But I still believe that
G **D**
Maybe someday
Em **C**
I will hold your hand
G **D**
Maybe someday
Em **C**
We'll trace our footsteps in the sand
Am
And just walk away? maybe someday
G **D**
Now I don't know how a heart beats
Em **C**
But I sure know how one breaks
G **Bm**
Remember how I used to hold you
Em **C**

To share every breath that you'd take
C
How can I forget
D
You're every tear that I cry
Em
I know you're coming back
D
You never kissed me goodbye
