

# Bon Jovi - Midnight in Chelsea

Tom: **F**

riff:(2x)

**F**  
Kids 'round here look just like sticks  
trade old licks with a beat up six  
**Bb**  
I just smile and catch the groove  
**Gm**  
Got the girls all dressed in black  
serious as heart attacks  
**C**  
Takes a little bit of getting used to  
**F**  
The old man with the whiskey stains  
lost the night and forgot his name  
**Bb**  
His poor wife was sleeping alone again  
**C** **Bb**  
It ain't hard to understand  
**C** **Bb**  
why she's holdin' on to her own hand  
**F**  
It's Midnight in Chelsea  
(Sha la la la, Sha la la)  
**Bb**  
Midnight in Chelsea

No one's asking me for favors  
No one's looking for a savior  
**C**

riff:(2x)

**F**  
I seen a lonesome rainy drive  
Seems the chauffer took a dive  
**Bb**  
sold his secrets to the sun  
**Gm**  
Ahh, later in a magazine  
I finally figured what it means  
**C**  
to be a saint but not a queen  
**F**  
Two lustful lovers catch a spark  
chased their shadows in the dark  
**Bb**  
Someone's gettin' off tonight  
**C**  
A big red bus is packed so tight  
**Bb**  
disappears in a trail of light  
**C**  
Somewhere, someone's dreamlin'  
**Bb**  
Baby it's alright  
**F**  
It's Midnight in Chelsea  
(Sha la la la, Sha la la)
