Should I? Could I?
Have said the wrong things right a thousand times
                  G
                                     Am7

If I could turn back time, you'd still be mine
     D Em7
You cried, I died
                      D
I should have shut my mouth, things headed south
                                                Am7
                             G
As the words slipped off my tongue, they sounded dumb
If this old heart could talk, it'd say you're the one
Am

I'm wasting time . . .
Em7

 When I think about it
(segunda parte)

                D

 Staying out too late with all my friends
Am7
You found me passed out in the yard again
G
    D Em7
 You cried, I tried
To stretch the truth, but didn't lie
