A loaded gun needs no alibis  
**G** **D** **A**  
Out on the street where the truth's a lie

Wasted blood that I left behind  
**G** **D** **A**  
Broken hearts leave a young man blind

I need protection on the underground  
**G** **A**  
I'm going down, down, down, down, down

(Chorus)

B-A-B  
Out of bounds  
**G** **A**  
You can cross that line  
**D**  
Out of bounds  
**G** **A**  
Is out of time  
B-A-B  
Out of bounds  
**G** **A**  
Is where I'll be  
**D** **G** **A**  
I can't hold on but I can't break free

You're asking why but who's to say  
**G** **D** **A**  
The things you've done haven't gone away

Nowhere to run, no one to blame  
**G** **D** **A**  
I'm just a puppet in a bad man's game  
**G** **A**  
I need protection on the underground

When that innocent man was me
