

Bon Jovi - Pictures Of You

Tom: **C**

C
I feel just like Picasso

And you're my masterpiece

I painted you a lifetime

Now what's left are memories

F C
Oooh

C F
Sunlight's in the curtains

Em F
Diamonds in the trees

C F
I gave you colors blue and gold

Am F
As you lay upon the sheets

G E Am F
Something so familiar drawn from this blank page

G Ab Am G F
Every line from my hand takes me back to what I can't erase

F G Am F
No matter how I try, no matter what I do

F G C
I'm still painting pictures of you

C F
I could almost smell your perfume

Em F
In each brush stroke of the flowers

C F
I left you tea from China

Am F
Waiting in your sacred tower

G E Am F
Something so familiar drawn from this blank page

G Ab Am G F
Every line from my hand takes me back to what I can't erase

G Am F
No matter how I try, no matter what I do

G C
I'm still painting pictures of you

F G E F
If I should go crazy, if I would go blind

I'd still fill the canvas from the pictures in my mind

F G
If that's the only way to make you mine
