

Bon Jovi - Queen Of New Orleans

Tom: D
Intro: Bm A E (4x)

She said baby our love's just like your songs
The beat ain't bad but the words are all wrong
It's time to pack my bags, it's time to just move on
She sang, Johnny, I'm gone, gone, gone
And she's gone
Me and Leigh met summer of '95
In a burgundy dress lookin' finer than French wine
A Cajun Queen with another side
She was a schoolboy's dream, I was out my mind
She was lookin' fine
She said "You want to drive me home"
But what I didn't know...

Oh, oh, shala-lala - I was dancing with the Queen of New Orleans
Oh, oh, shala-lala - Dancing in the streets of New Orleans
Oh, oh, shala-lala - Dancing cheek to cheek in New Orleans
Oh, oh, shala-lala - It was almost like a dream
Solo: Bm A E (2x)

That night I made a move, man I fell hard

When I put my hands in her cookie jar
She was more than a girl, she was a cabaret star
I was a deer in the lights of a speeding car
Nothing's what it seems
She was a Venus de Milo in her sister's jeans
Oh, oh, shala-lala - I was dancing with the Queen of New Orleans
Oh, oh, shala-lala - Dancing in the streets of New Orleans
Oh, oh, shala-lala - Dancing cheek to cheek in New Orleans
Oh, oh, shala-lala - It was almost like a dream
