Roller coaster

D
I see you thinking twice

A
Wish I could read your mind

B
Move up or out of line

G
Too late for praying

D
I know we might lose our breath

A
We might be scared to death

B
This chance is like a step

G
Just got to take it

D A
Whoa oh

B G
Countdown to here we go

D
Hold on tight, slide a little closer

A
Up so high stars are on our shoulders

Bm G
Time fly's by, don't close your eyes

D
Kiss by kiss love is a thrill ride

A Bm
What goes up might take us upside down

G
Life ain't a merry go round

D A
It's a roller coaster

B G
It's a roller coaster

D
Can't lie and won't pretend

A
I know what's round the band

B
Too late to start again

G
Won't take it slower

D

Let's slip right off these tracks

A
We'll fly or we might crash

B
Don't look down, don't look back

Cause it ain't over
