**Am**  
On the street where you live girls talk about their social  
lives **E** **F**  
**Am**  
They re made of lipstick, plastic and paint, a touch of sable  
in their eyes **G**  
**Am**  
All your life all you ask is when your Daddy's gonna talk to  
you **E** **G** **Am**  
You're living in another world, trying to get your messages  
through **E** **G** **Am**  
No one heard a single word you said **Dm**  
They should've seen it in your eyes **C** **G**  
What was going around your head **Am** **G**  
Ooooh she's a little runaway **C** **Em** **G** **Am**  
Daddy's girl learned fast all those things he couldn't say  
**G** **E**

Ooooh she's a little runaway **Am** **G**  
A different line every night guaranteed to blow your mind **E** **F** **Am**  
I see you out on the streets, call me for a wild time **Am** **G**  
So you sit home alone cause there's nothing left that you can  
do **E** **G** **Am**  
There's only pictures hung in the shadows left there to look  
at you **E** **G** **Am**  
You know she likes the lights at night on the neon Broadway  
signs **Dm** **C** **G**  
She don't really mind, it's only love she hoped to find  
**Am** **G**  
Ooooh she's a little runaway **C** **Em** **G** **Am**  
Daddy's girl learned fast all those things he couldn't say  
**G** **E**  
Ooooh she's a little runaway **E** **G** **Am**  
No one heard a single word you said **Dm**  
They should've seen it in your eyes **C** **G**  
What was going around your head  
Ooooh... she's a little runaway...
