**A**  
A long slow drive down an old dirt road

**Gbm**  
you've got your hand out the window, listenin' to the radio  
**E** **D**  
That's where I wanna be

Cold hard rain fallin, can't find no cover

That would be alright with me

Hard days, good times, blue skies, dark nights

In the back row of a movie or a cross-town train  
**D** **Gbm**

I wanna hear your voice whispering my name  
**E** **D**  
That's where I wanna be

Hard days, good times, blue skies, dark nights  
**D2** **A2** **Bm** **E**  
Baby, say that you'll take me, wherever you're going to

**G**  
Life is like a ferris wheel spinnin around

When you get to the top it's hard to look down

Just hang on we'll make it through  
**G** **Bm** **A2**  
Save me a seat next to you

**A2**  
When you get to the gates and the angels sing

Go to that place where the church bells ring

You know I'll come runnin, runnin to find you

a seat next to you

a seat next to you  
**D2** **A2**  
a seat next to you
