

Bon Jovi - Strick your guns

Tom: **D**

Intro: **Gb G** (4x)

D **G** **D A**
So you want to be a cowboy well, it's more than just a ride
D **G**
Guess you got to know the real thing if you want to know
D
the other side
D **G** **D A**
Ain't nobody riding shotgun in this world tonight
(Passagem para chorus)
Gb G
And when you spit, you better mean it
Gb G
You got to make 'em all believe it
G **A**
If you're gonna be the one
Chorus:
D **G**
Stick to your guns
A **Bm** **A**
Ain't nobody gonna hurt you, baby
G
You can go for the trigger
D **A**
But only if you have to
D **G** **A** **Bm**
Aim from the heart some will love and some will curse you,
A
baby
G **D** **A**
And you can go to war but only if you have to

D

It's only if you have to
Verse 2: (Mesmos acordes do Verso 1)
So you want to be the big time
Some people have to drag you down
There's no living in the backseat
If you're gonna drive through town
And when you pray for independence
Boy you better stand your ground
(Passagem para o chorus)
You got to give it all you got now
Or you might get shot down
Fight hard until the battle is won

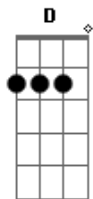

Chorus

Solo

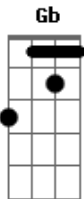

Passagem para o Chorus

Well, you know that I been through it
I got the scars to prove it
Fight hard and the
Battle is yours
Chorus
Stick to your guns
Ain't nobody gonna hurt you, baby
You can go for the trigger
But only if you have to
Aim from the heart
Some will love and some
Will curse you, baby
And you can go to war
But only if you have to
It's only if you have to
But stick to your guns...
