

## **Bon Jovi - The Next 100 Years**

```
Intro: Riff:
Time ain't nothing but time
It's a verse with no rhyme
Man, it all comes down to you
Change ain't nothing but change
Just the faces and the names
But you know we're gonna make it through
Am Em
    believe
         G
               D
When you don't believe in anything
Chorus:
         G
I-m gonna hold you 'til your hurt is gone
      E7
Be the shoulder that you're leaning on
I'll be standing here
For the next 100 years
If it all should end tonight
I know it was worth the fight
We'll be standing here
             C G
```

For the next 100 years

I, when I think that I'm, losing my mind, It all comes back to you
You, you know that it-s true, after all we-ve been through,
There-s nothing that I wouldn-t do
Stay, by me
I would gladly give, up everything

## Charus

I'm gonna hold you 'til your hurt is gone
Be the shoulder that you're leaning on
I'll be standing here
For the next 100 years
If it all should end tonight
I know it was worth the fight
We'll be standing here
For the next 100 years

I'm gonna hold you 'til your hurt is gone
Be the shoulder that you're leaning on
I'll be standing here
For the next 100 years
If it all should end tonight
I'll know it was worth the fight
And we'll be standing here
For the next 100 years
