

# Bon Jovi - Til We Ain't Strangers Anymore

Tom: **G**

(intro) **G D Em C**

**G**  
It might be hard to be lovers  
**D**  
But it's harder to be friends  
**Em**  
Baby pull down the covers  
**C**  
It's time you let me in  
**G**  
Maybe light a couple candles  
**D Eb Em Bm A**  
I'll just go ahead and lock the door  
**C D7**  
If you just talk to me baby  
**G**  
Till we ain't strangers anymore

**G**  
Lay your head on my pillow  
**D**  
I sit beside you on the bed  
**Em**  
Don't you think it's time we say  
**C**  
Some things we haven't said  
**Bm**  
It ain't too late to get back to that place  
**D Eb Em Bm A**  
Back to where, we thought it was before  
**C D**  
Why don't you look at me  
**G (D )**  
Till we ain't strangers anymore

(chords)  
(**D )** **Em C**  
Sometimes it's hard to love me  
**G D**  
Sometimes it's hard to love you too  
**Em C**  
I know it's hard believing  
**G D**  
That love can pull us through  
**Bm C**  
It would be so easy  
**G**

To live your life  
**Am C**  
With one foot out the door  
**C D**  
Just hold me baby  
**C**  
Till we ain't strangers anymore

(solo) **C G D C G D Bm C (D )**

(chorus)  
**Em C**  
It's hard to find forgiveness  
**G D**  
When we just turn out the lights  
**Em C**  
It's hard to say you're sorry  
**G D**  
When you can't turn off the light  
**Bm C**  
It would be so easy  
**G**  
To spend your whole damn life  
**Am**  
Just keeping strong

(bridge)  
**G**  
So lets get down to it baby  
**D**  
There ain't no need to lie  
**Em**  
Tell me who you think you see  
**C**  
When you look into my eyes  
**G**  
Lets put our two hearts back together  
**D Eb Em Bm**  
And leave the broken pieces on the floor  
**C D**  
Make love with me baby  
**G D Em C**  
Till we ain't strangers anymore  
**G D Em C**  
We're not strangers anymore (We're not strangers)  
**G D Em C**  
We're not strangers anymore

(final solo)

## Acordes
