Abm B Db  
Take a look around you, yeah, the sky is falling  
Abm B Gb  
Sinners say your prayers this train is off the tracks  
Abm B Db  
Nothing is forever when tomorrow's calling  
Abm B Gb  
Dancing with the devil to get one day back

Abm B Db  
I'm not afraid of burning bridges  
Abm B Gb  
'Cause I know they're gonna light my way  
Abm B Db  
Like a Phoenix, from the ashes  
Abm  
Welcome to the future it's a new day

Abm E  
We don't run

I'm standing my ground
