

Bon Jovi - What About Now?

Tom: G
Intro: G C Em C Em C

You wanna start a fire?, it only takes a spark
You gotta get behind the wheel?, if you're ever gonna drive that car
If you wanna take a bite, you'd better have the teeth
If you're gonna take that step, then get up off of your knees
'cause tonight, we're alive

refrão:
Who'll stand for the restless? and the lonely?
For the desperate? and the hungry?
Time for the count, i'm hearing you know
For the faithful, the believer
For the faceless, and the teacher
Stand up and be proud,
What about now?

You wanna start a fight?, you've gotta take aswing
Gotta get your hands in the dirt, to see what the harvest will bring

You wanna raise your voice?, don't be scared to breathe
Don't be afraid to hurt, don't be ashamed to need

'cause tonight, we're alive
refrão:

Who'll stand for the restless? and the lonely?
For the desperate? and the hungry?
Time for the count, i'm hearing you know
For the faithful, the believer
For the faceless, and the teacher
Stand up and be proud,
What about now?
We live for our reasons that drift through the seasons
'till dreams are just pale, dark and grey
And all of your plans, that slip out through your hands
Are the dreams that you take to your grave

'cause tonight, we're alive
refrão:
Who'll stand for the restless? and the lonely?
For the desperate? and the hungry?
Time for the count, i'm hearing you know
For the faithful, the believer
For the faceless, and the teacher
Stand up and be proud,
What about now?
What about now?
What about now?
What about now?
