

Bon Jovi - Who Says You Can't Go Home

Tom: G
Intro: G C Am C
G C Am D

Primeira Parte:

I spent twenty years
Trying to get out of this place
I was looking for something
I couldn't replace
I was running away from the
Only thing I've ever known
Like a blind dog without a bone
I was a gypsy lost in the twilight zone
I hijacked a rainbow and crashed
Into a pot of gold

Segunda Parte:

I been there, done that
But I ain't looking back
On the seeds I've sown
Saving dimes
Spending too much time on the telephone
Who says you can't go home

Primeiro Refrão:

Who says you can't go home
There's only one place
They call me one of their own
Just a hometown boy born a rolling stone
Who says you can't go home

Who says you can't go back
I been all around the world
And as a matter of fact
There's only one place left I want to go
Who says you can't go home

Ponte:

It's alright, it's alright, it's alright
it's alright, it's alright

Terceira Parte:

G

I went as far as I could
I tried to find a new face
There isn't one of these lines
That I would erase
I lived a million miles
Of memories on that road

With every step I take
I know that I'm not alone
You take the home from the boy
But not the boy from his home
These are my streets
The only life I've ever known
Who says you can't go home

Segundo Refrão:

Who says you can't go home
There's only one place
They call me one of their own
Just a hometown boy born a rolling stone
Who says you can't go home

Who says you can't go back
I been all around the world
And as a matter of fact
There's only one place left I want to go
Who says you can't go home

Solo: G C Am C
G C Am D

Quarta Parte:

It doesn't matter where you are
It doesn't matter where you go
If it's a million miles away
Or just ten miles up the road
Take it in, Take it with you when you go
Who says you can't go home

Terceiro Refrão:

Who says you can't go back
I been all around the world

And as a matter of fact
 There's only one place left I want to go
 Who says you can't go home
 Final:
 It's alright, it's alright, it's alright
 it's alright, it's alright
 Who says you can't go home

Who says you can't go home
 It's alright, it's alright, it's alright
 it's alright, it's alright
 Who says you can't go home
 It's alright, it's alright, it's alright
 it's alright, it's alright
 Who says you can't go home
